Open House Activities

The activities for this open house are designed to engage the community and gather feedback to inform the Comprehensive Plan Update. There will be additional opportunities for public feedback and comment throughout this process. The deadline to have the Comprehensive Plan Update completed is June 30, 2017.

- Tell Us Where You Are From – Please place a dot on your home or business, so we can have a sense of the geographic representation from throughout the community.
- Data and Demographics – Information is presented as a snapshot of current population, housing, income and employment characteristics. Trends for the future are also included.
- What is the Vision – This activity states the current comprehensive plan vision. Do you support this vision? What would you change?
- Concerns and Assets – This activity will be used to identify areas of special attention within the community.
- Goals and Policies – This series of boards includes policy statements from your current comprehensive plan document. Use sticky dots to identify whether the policy is still relevant to community needs. Use sticky notes to make suggestions for changes to existing text, or comments on new issues.
- Issues and Opportunities - *ONE Peachtree City* was a public engagement process undertaken in 2013 designed to solicit open and honest opinions from residents and business owners. These boards summarize the feedback received during that process and provide the opportunity for you to respond.

\*\*Staff from both ARC and the City of Peachtree City will be available to answer any questions you have. There is no formal presentation, and events can be completed at your leisure.
