What do I need to bring?

Yourself and your tools for creation. If you need an easel or paper or pens or pencils or paints or sketchbooks or a laptop, BRING 'EM.

Speaking of laptops, if you bring one, be sure you have enough charge to sustain your two-hour session. Being tethered to an outlet may not be the way you'd planned to spend your time!

Do I need to bring a chair?

Tables, chairs, and benches will be available. You can bring a folding camp chair, if you would like.

What happens if it rains?

This is a rain or shine event. In order to give our creatives the widest range of subject, there will be sessions regardless of the weather.

Speaking of rain and mud and farm terrain, please do not wear flip-flops. Enclosed shoes would be best.

What if there's an emergency?

That's why we'll ask for your best contact information -- just in case. But "just rain" won't be considered an emergency.

Can I bring food?

Feel free to pack a light snack.

Can I bring my own models? Friend? Pet?

Please just bring yourself and your supplies for drawing, painting, etc. Your friend will need to register separately. Please do not bring pets. We already have two furry and three feathered queens on the property, and they prefer humans to other animals.

What if I want to stay longer than two hours?

The number of participants per session is capped at 10 and the sessions are back-to-back. However, if you are interested in a second session, let the organizer know once you get your registration email and you'll be contacted after March 17, 2018, about any remaining openings.

Is there any cost involved?

No, this creative outing is completely free. Enjoy!

Is it true that there will be an “after hours” party at the Peachtree City Library on Saturday, April 14th ?

Yes, we invite all participants to join our celebration of creativity and bring their work to the library to share with everyone who has attended one of the farm sessions. Feel free to invite your friends and family, too. The event starts at 6:00 p.m. If you would like your work to be considered for possible inclusion in the Peachtree City Library Art Initiative’s May/June exhibit, please bring your work to the celebration in a hang-ready state. (Guidelines for proper gallery hanging will be available at the library.) If you’re interested in attending and sharing your work without having it considered for the May/June exhibit, you’re welcome to bring your work as a work-in-progress. All pieces will be laid out on the library’s tables and/or leaned against the library walls.

What about parking?

You’ll get more information on directions and parking information once you have registered.

The **Peachtree City Library Arts** Initiative seeks to provide artists in Peachtree City and surrounding areas with opportunities for exhibiting their work in the library as well as seeking community partners to enhance the visibility and community spirit of artists in the area. We wish to thank the assistance of our underwriting sponsor, **Rotary Club of Peachtree City**, for their generous donation to this effort and especially thank **Bloomsbury Lane Farm** for their willingness to host our creative endeavors.
