Golf cart owners can be held both civilly and criminally liable for damages or injuries caused by their carts and should immediately obtain liability insurance.

- All other violations subject to fines up to \$1,000 or 180 days in jail per violation.
- Violations including reckless driving, underage operation, and dangerous situations should be reported immediately by dialing **911**. The non-emergency number for the Police Department is 770-487-8866 (Monday – Friday, 8 AM – 5 PM).
- Violations on a golf cart can affect a teen's ability to obtain a driver's license.
- Persons with no driver's license convicted of a DUI on a golf cart will be prohibited from operating a golf cart.

If you see a violation of ordinance or law call 911 for emergencies or 770-461-HELP for non-emergencies to have an Police Officer dispatched to the location.

Try to obtain the cart decal number whenever possible.

Numbered yellow location markers are affixed to many paths in Peachtree City. The four-digit number indicates the PATH. The number after the decimal indicates distance (1/10 mile). These markers can help emergency response locate callers.
