Golf Cart Tips

- It is highly encouraged to re-key your cart with a unique key to deter theft.
- If cart is left unsecured outside overnight or extended periods, then consider chaining the frame to a fixed point or utilize a steering wheel locking device.
- Insurance coverage, while not currently required, on carts is highly recommended as serious injury collisions do occur with golf carts and carts are targeted for theft.
- Take photos of your cart and its serial number for ease in future identification if it is reported stolen or needed later for an insurance claim.

Motorized Play Vehicles

- **Prohibited** on all public property (streets, sidewalks, parks, parking lots, paths, etc.).
- **Permitted** on private residential property with property owner's permission. HOAs may regulate on common property. NOTE: Cannot cause excessive or offensive noise, disturb the peace, or cause annoyance.
- **Permitted** on private commercial/ industrial property if inaccessible to normal pedestrian or vehicle traffic (warehouse, fenced parking lot with locked gate, etc.), with written permission of the owner/agent.

LSMV Rules

- **All LSMVs must be registered with the Fayette County Tag Office.**
- **All LSMVs must be insured per state law.**
- Only those with a valid driver's license may operate an LSMV.
- To operate on the paths, an LSMV must have a setting limiting speed to under 20 mph and operate in that mode at all times on the paths.
- No LSMVs on streets with a speed limit over 35 mph. Except as prohibited above, LSMVs may cross streets with a limit greater than 35 mph.
- State Seatbelt Laws apply to LSMVs.

EPAMD Rules

- Only those with a valid driver's license or 18+ may operate EPAMDs on City paths.
- Registration/decal required (like golf cart)
- EPAMDs must have reflectors and, if used at night, a headlight.
- EPAMDs may not be operated at a speed greater than 7 mph on any path or sidewalk, or 15 mph on any other city right-of-way.
- EPAMDs cannot be operated with more than a single user at any time.

Pets & Paths

- **Pets must be ON LEASH no longer than 6 feet on paths.**
- **Make sure pets on extendable leashes do not block the path for other users.** If walking a pet on a cart, put pet on the right side of cart.
- Clean up after pets. Do not let pets go into private yards adjacent to paths.
- **Pet owners can be held legally and civilly liable**

IMPORTANT

Most homeowner insurance policies do not cover golf carts off the homeowner's property. This can be a significant liability to golf cart owners involved in accidents. Golf cart insurance is inexpensive and offered by local insurance companies. Owners can be held both civilly and criminally liable for damages or injuries caused by their carts and should immediately obtain liability insurance.

Violations

- All violations subject to fines up to \$1,000 or 180 days in jail per violation.
- Violations including reckless driving, underage operation, and dangerous situations should be reported immediately by dialing **911**. The non-emergency number for the Police Department is 770-487-8866 (Monday – Friday, 8 AM – 5 PM).
- Violations on a golf cart can affect a teen's ability to obtain a driver's license.
- Persons with no driver's license convicted of a DUI on a golf cart will be prohibited from operating a golf cart.

If you see a violation of ordinance or law, call **911** for emergencies or **770-461-HELP** for non-emergencies to have a Police Officer dispatched to the location. **Try to obtain the cart decal number whenever possible.**

Numbered yellow location markers are affixed to many paths in Peachtree City. The four-digit number indicates the **PATH**. The number after the decimal indicates distance (1/10 mile). These markers can help emergency response locate callers.
