Vision:
Deliver world-class law enforcement services through best practices

Janet L. Moon,
Chief of Police
Part I crimes increased **7.36%**. Forcible felonies decreased overall, but the increase in shoplifting and entering auto incidents caused the increase in Part I crimes. This is attributed to a strong working relationship with the local businesses and the community in an effort to reduce crime in the community by reporting suspicious behavior.

33 motor vehicle thefts in 2019, 42% were stolen golf carts.
There are 1,257 Community Emergency Response Team members trained to date www.cert.org

Peachtree City’s hallmark is its over 100-mile network of multi-use paths for pedestrians, cyclists, and golf carts. Officers logged 2,522 hours of proactive path patrol efforts with 48 reported collisions, which is a 9% decrease in golf cart collisions.
Social media outreach continues to be an extremely positive tool for our department. At the end of 2019, our department had 26,375 followers on Facebook, 4,700 followers on Twitter, and 95 subscribers on YouTube, which is a 17% increase from 2018-year end counts. For 2019, the total amount of people that saw any of our content on Facebook was 3,827,755. This averages out to 10,487 people per day.
There were **4591** different requests for off duty officers in 2019 for a total of **5,977** hours of service to citizens during off duty time.

Businesses, churches, non-profit events, and other special events require off-duty officers for traffic control and security so their events are safe and successful.
We ask all citizens to complete a survey on all calls for service. We had 31 survey responses in 2019: 2 were not satisfied, 28 were very satisfied and one was satisfied. Citizens commented that officers were compassionate, professional, informative, courteous, and caring.

Criminal case clearance rate for the Criminal Investigation’s Division was up 25.5% (up 3% since 2018). A major influencing factor on the clearance rate in 2019 was the 33% increase in entering auto reports received by the agency, and the relatively low clearance rate for that type of crime #LOCKYOURCAR
These are not toys! 30% of golf cart collisions result in an injury, compared to only 13% of all roadway collisions.

223 teens participated in the motorized cart safety classes that were taught in 2019.

There was a 20% decrease in the number of motorized cart collisions involving a driver under the age of 17, which is attributed to the increase in the department’s motorized cart driving course.
Officers logged **1,906** hours of time on community relations events. This is a **4.4%** increase from 2018.
We have participated in the Rotary Dragon Boat Festival for years to assist in raising funds for causes in the community.

10,390 citizens called the front desk of the police department with questions in 2019.
The Community Response Team focuses on traffic safety using a multi-prong approach via collision analysis, complaint analysis, traffic safety education, directed traffic enforcement, and close partnerships with city and state roadway engineers. In 2019, there were 915 reported roadway collisions inside Peachtree City with 123 involving an injury.

Through every department member’s efforts, we are able to make our community a safe place for our residents and guests. The Peachtree City Police Department continues striving to provide exceptional and professional service by our response to calls, highway safety, and other initiatives to give back to the community.

CALEA Certification with Excellence and State Certification

Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) conducted our onsite inspection of our critical standards for law enforcement excellence. CALEA verified that the Peachtree City Police Department continues to exceed the Commissions’ state-of-the-art standards as part of a voluntary process to remain accredited. In the United States, only 726 of the 18,000 police departments can achieve CALEA accreditation. Of those 726, only 236 achieve Accreditation with Excellence.
Special Response Team

Our Special Response Team was invited to participate as a Quick Reaction Team by the All Hazards Committee of the NFL Super Bowl LIII, and all events it included for the 10 days leading up to the game. The numerous events occurred all over the city of Atlanta at sites like Mercedes Benz Stadium, the Georgia World Congress Center, State Farm Arena, Centennial Olympic Park, and many others. The team’s reputation among tactical teams in the Metro-Atlanta area granted us the opportunity to serve in this capacity.
The Auxiliary Police Force was established in 1987 and has been serving the community for over thirty years. These dedicated men and women volunteered approximately 1,886 hours of service to the city and citizens of Peachtree City by assisting with volunteer services and helping to manage over 64 special events in 2019.

Understanding the society we live in, we understand our citizens could be confronted by an active shooter, and that this is more of a reality than a possibility. In response, our community outreach efforts have led to teaching ten Civilian Response to Active Shooter classes in 2019, educating 183 citizens.
Throughout 2019 we continued the practice of bringing committees of officers together to review pursuits. These are excellent opportunities for officers who were not involved in the pursuit to review the pursuit, the policy, and provide input for training and policy revision. This is an excellent time to ensure that newer officers have a good grasp on our policy and how pursuits evolve.
While serving students in the 8 Peachtree City schools, our School Resource Officers taught total of 751 classes (719 in 2018), over 632 hours of instruction to a total of 25,125 students in 2019.

Juvenile incidents increased 14% this year. Officers mitigated 107 cases of a Child in Need of Services, 156 criminal incidents, and 277 traffic incidents involving juveniles in our community.
Recruitment

The ethnic makeup of City of Peachtree City’s available labor force as determined by the 2010 Census is represented as follows:

The Police Department’s ethnic makeup, shown below, is well-representative of our population.

Internal Affairs Review
