Back 2 Basics is an instructional basketball skills and drills program. The instructors will evaluate each player to determine current skill level. Then, by using a progression scale built on that level, it allows each player to develop at his or her own pace. The instructors will provide insight on the need for warming up and exercising properly and assist the player with a weight training program as needed. Back 2 basics training includes ball handling, passing and shooting drills and techniques. The goal is to enhance the level of fundamental skills in the player allowing them to progress easier to the next level. We also promote positive attitudes and hard work ethics while at the same time keeping the training fun and interesting.

Dramatic Fanatics
Youth Improv/Sketch Comedy Course
Location: Kedron
Ages: 7 - 14
Time: 4:00 pm - 6:30 pm
Instructor: Amy Beaucham
Days: Friday

This fun and rewarding eight week course will cultivate creative spontaneity, acting skills and collaborative story crafting through improvisational activities and sketch comedy. Each week, students will rotate through a choice of stations that include improv games, improv puppetry, improv dance, musical improv and sketch comedy. The written sketches will be based on ideas generated by improvised scenes produced in class. Enhancement of stage presence, effective use of expression and physicality to convey meaning and the overall development of the student as a vibrant, engaging, memorable young actor will be key goals of the curriculum. While there will be a strong emphasis on comedy within the course, students will be led in increasing their capabilities as dramatic actors as well. Within the instruction offered, nurturing of performance skills will be implemented in a very supportive manner through the joy of drama with fun lessons that encourage freedom of inventiveness as well as training in scripted acting. Learning of lines will only be necessary for the sketch comedy component.

This course will prove to be valuable to any young person as it facilitates aptitude in reacting and responding to unexpected situations, builds confidence, fortifies team working/ensemble skills, inspires the use of creativity, promotes original thinking and encourages collaborative story crafting. Following the instructional classes, students will be showcased equally during an entertaining closing program on Wednesday December 20th from 6:00 to 8:00pm at Southside Theatre Guild 20 West Campbellton Street Fairburn, Georgia Students arrive at 5:30. The end of course celebration will be at the Kedron Fieldhouse December 22, during which pizza will be served, trophies and certificates will be awarded, words of commendations for each student will be shared and family improv fun will be enjoyed.

Students enrolled in Kedron Elementary's ASP Program will be accommodated with safe escort from the school to the Field House by Mrs. Beaucham per parent permission.

If you have any questions, please contact Mrs. Beaucham at 678-416-6004 or email her at amy@dramaticfanatics.com.
