Instructor: Coach David Pina - davepina@mindspring.com

Register in person at Kedron Fieldhouse or online at www.peachtree-city.org/recreation
Back to Basics is an instructional basketball skills and drills program. The instructors will evaluate each player to see what skill level he or she is currently at. Then, by using a progression scale built on that level, it allows each player to develop at his or her own pace. The instructors will provide insight on the need for warming up and exercising properly and as needed assist the player with a weight training program. Back to basics training includes ball handling, passing and shooting drill and techniques. The goal is to enhance the level of fundamental skills in the player allowing them to progress easier to the next level. We also promote positive attitudes and hard work ethics while at the same time keeping the training fun and interesting.

**Session Dates:**  
Session I - May 28 - May 31 (Tuesday - Friday) or  
Session II - July 1 - July 3 (Monday - Wednesday)

**Ages:** 8 yrs - 18yrs

"A Renaissance Festival Gone Bad"

Hear Ye! Hear Ye! Calling all fans of Zelda, pirates, fairies, Knights, Dragons, Peasants, Vikings, King and Queens, and Lord of the Rings. Choose and showcase your favorite "Renaissance character" in a Renaissance Festival Presentation.

In the presentation it’s all fun and games until someone makes the mistake of wishing they could live in the Renaissance for real. Yikes! Black plague anyone?

Gain acting skills and confidence while getting ready to present “A Renaissance Festival Gone Bad” for your family and friends.

**Day:** Monday - Friday  
**Date:** July 15 - July 19  
**Time:** 3:45 pm - 5:30 pm  
**Fee:** $95 for residents / $118.75 non resident  
**Ages:** 8 - 14 yrs  
**Location:** Kedron Room 2

**Non Resident fees additional 25%**

"Tame the Brain" 2024 Summer Camp

Understanding our brains can make a huge difference! Kids love to learn about the "brain" and learn about the amygdala that helps us when in danger, but often is in "overdrive' even when there is no danger around. (Thus making us feel anxious and upset.) The concept of mindfulness (paying attention to the here and now and being nonjudgmental) will be introduced and practiced. Learn these skills through games, role-playing and movement.

"Tame the Brain" is an evidenced based, social and emotional program built upon neuroscience, positive psychology, mindful awareness training, and optimism. The "Tame the Brain" curriculum uses research-based lessons with the latest information about the brain to improve behavior and learning. It is shown to enhance perspective taking, empathy, and kindness, as well as fostering complex problem solving skills.

Day: Monday - Friday
Session: June 17 - June 21
Times: Ages 6 - 8, 9:00am - 10:20 am
       Ages 9 - 14, 10:30am - 12:00pm
Fee: $85 resident / Non Resident fees additional 25%
Location: Kedron

PLAYBALL IS THE FIRST PROGRAM TO USE SPORTS AS A MEANS TO PROVIDE CHILDREN WITH A SOUND BASE TO DEVELOP EVERY ASPECT OF THEIR LIVES.

WHAT IS PLAYBALL?
Playball is not just another sports program. It is a highly specialized program, devised and continually updated by sports experts, occupational therapists and educational specialists. By giving children competence in sports, we help them develop skills that are not associated with sports at all.

HOW DOES IT HELP CHILDREN?
We use the medium of sports, not only to improve gross motor development, increase concentration skills, build low muscle tone, to teach children to be competent in hand-eye/foot-eye coordination and improve balance; but sport is also used to teach basic, yet essential life skills.

At Playball your children will learn persistence, courage, cooperation, respect, positive relationships, self-worth, communication, responsibility, and countless other attributes. We address the needs of the whole child - dealing with the emotional, social, cognitive, and physical.

WHY PLAYBALL?
Today a sedentary lifestyle dominates our children’s lives. The average child spends numerous hours in front of TVs and computers; not developing his perceptual motor skills. Simply put, those skills that enable him to act on and respond to information received. Many children have low muscle tone and poor concentration. The child’s social skills suffer as do his emotional skills, and even intellectual skills may be affected. If detected early these problems can easily be overcome for the average child.

WHO CAN SIGN UP?
Playball is for children 2 to 3 years old. It is created to suit the needs and abilities of ALL children - to give them the confidence to participate in all activities, both on and off the field. At Playball, children learn the basis for such sports as baseball, basketball, hockey, tennis, soccer, volleyball, and more.

THE PLAYBALL CLASS.
- The classes have an impressive creative component that ensures each lesson is both exciting and positive. The children are never bored and love the lessons. Classes comprise of warm ups, basic sports skills and fun games.
- The numbers in each class are small enough to clearly monitor development and progression and large enough to ensure a fun-filled environment. No child is ever put under pressure to achieve.

PLEASE CALL CATHERINE AT 404-867-7438 FOR MORE INFORMATION.

OVER FOR MORE INFORMATION
Parents, try this camp out for size. This camp is one action packed week of all different types of sports and games. We play basketball, dodge ball, Kick-ball, whiffle ball and soccer. We have team competitions such as running relays and other team oriented events. We will also be playing board games and puzzles to challenge the mind as well as showing a movie each day. Movies will be P.G. or G rated and campers can only choose the movie as an activity one time per day. Parents don’t get mad at us when your child comes home worn out and tired, the weeks your child spends at this camp will be the quietest in your house all summer long! Your child will have a blast! All campers need to bring a bag lunch, drink and non marking sneakers. Camp times are from 9am to 4pm. All campers will receive a camp shirt as well as drinks and snacks each day of camp.

For more information, you can contact Dave Wojcik at lpjonjudo@numail.org

LEGO® Engineering Enrichment
Peachtree City Recreation - Kedron Fieldhouse & Aquatics Center

Pokémon Engineering using LEGO® Materials!
June 3-7 | 9a-12p | Ages 5-7
Calling all Pokémon trainers! With the Pokémon Championship approaching, join our enthusiastic Play-Well Instructor as we build and catch our favorite Pokémon, rescue Pikachu from Team Rocket, take a ride on the S.S. Anne to uncover rare and mystic Pokémon, and battle to see who will hold the title of Pokémon Maser. Come along on our journey to Catch ‘em all!

Animal Adventures with LEGO® Materials!
June 24-28 | 9a-12p | Ages 5-7
Let your imagination run wild with tens of thousands of LEGO® parts as we design and build leaping dolphins, buzzing beehives, and towering giraffes. Play, create, and learn in a world inspired by the animal kingdom. Design and build as never before and explore your craziest ideas.

Minecraft engineering using LEGO® Materials!
July 22-26 | 9a-12p | Ages 5-7
Venture into the world of Minecraft in our unique LEGO® experience. Get ready to build your base, craft your tools, use your Minecart to harvest rare resources, and battle to stop the Ender Dragon from ending the world. Come explore the endless possibilities of LEGO® with a trained Play-Well instructor.

Adventure in STEM with LEGO® Materials!
July 29-August 2 | 9a-12p | Ages 5-7
Let your imagination run wild with tens of thousands of LEGO® parts! Build engineer-designed projects and use special pieces to create your own unique designs! Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO® building system.

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. Learn more at play-well.org.
